

Staff Employment

Original Implementation: October 26, 2020

Last Revision: None

Purpose

This policy establishes SFA's employment process for staff, including those paid with grant and contract funds. It also establishes that the Department of Human Resources is responsible for developing staff employment policies and procedures. This policy does not include student or temporary staff employment.

Background

This policy describes employment practices and ensures that each employment action conforms to state statutes, university policies, fund availability, and university goals. All hiring decisions for vacant positions are made based on lawful, job-related, and non-discriminatory criteria and in keeping with Policy 2.11, Nondiscrimination, which prohibits unlawful discrimination on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, gender expression, age, disability, genetic information, citizenship, and veteran status. Staff positions may be filled either by promoting or transferring a current employee or by hiring from outside the university.

The hiring process consists of identifying the vacancy and evaluating the need for the position; revising the job description as necessary; selecting a search committee; posting the vacant position; reviewing and screening applicants; conducting interviews; selecting a candidate; and finalizing the employment offer. For a general overview of the hiring process, see the human resources website.

Posting Vacant Positions

Vacant staff positions must be posted on the SFA careers website. Graduate assistant and casual (sporadic or short-term) positions do not have to be posted unless so desired. Positions are posted for at least the minimum number of days based on position and/or posting type as established by the Department of Human Resources. All staff postings that are posted externally are advertised on the jobs website hosted by the Texas Workforce Commission. Staff postings may be advertised on HigherEdJobs.com at the discretion of the hiring department. Advertisements in other locations are determined by the hiring department with the approval of human resources and university marketing communications.

Human resources maintains a bank of job posting templates that include each position's description. Departments may request updates to job descriptions and posting templates prior to creating a posting, using a process determined by human resources. Hiring departments must provide position-specific information that is required by human resources before a position is approved to be posted. To help develop a viable candidate pool, the university may enter a contract with a hiring firm to fill positions, in which case applicants may be directed to apply for the position through other methods.

Training

Part of the posting creation process is the designation of a search committee to contribute to the hiring decision. Search committee training is required every two years for search committee members. Training information is contained in the learning management system.

Screening Candidates

A screening matrix is required for all staff positions. The hiring department is required to submit the screening matrix to human resources for approval prior to screening applicants. The matrix is designed to document justification for selecting applicants for an interview and all qualified applicants are to be included on the approved matrix. A sample screening matrix is available on the human resources website. If search committee members discover that a relationship with an applicant exists as defined by Policy 11.16, Nepotism, they must notify the search committee chair immediately.

Veteran's Preference

In accordance with state law, an individual who qualifies for a veteran's employment preference is entitled to a preference in employment with or appointment to a state agency over other applicants for the same position who do not have a greater qualification.

Former Foster Child Preference

In accordance with state law, an individual who was under the permanent managing conservatorship of the Department of Family and Protective Services on the day preceding the individual's 18th birthday is entitled to a preference in employment with a state agency over other applicants for the same position who do not have a greater qualification.

Interviewing

The hiring department is required to submit interview questions to human resources for approval prior to conducting interviews. Sample interview questions are available on the human resources website. All interview questions asked throughout the hiring process, to include phone and/or video interviews, must be job-related and approved by human resources.

Hiring of New Staff

The hiring department will submit a hiring proposal to hire the selected candidate through the SFA careers website. Information on completing the required steps to submit a hiring proposal is available on the human resources website. The hiring department has full discretion for placing a new employee's pay up to the midpoint of the salary grade. Hiring rates above the midpoint require approval by human resources before the verbal offer is extended to the candidate in accordance with Policy 12.2, Staff Compensation and Classification.

Accepted Employment Offer

Upon the candidate's acceptance of an employment offer, human resources conducts a background check for all new staff employees and former employees with a break in service. After the background check is completed successfully, the hiring department should submit the appropriate electronic personnel action form (EPAF) to start the employee's job assignment. An EPAF submission is required before a new employee is permitted to start work.

Appointment of full-time exempt administrative/professional staff, changes in position status of full-time exempt administrative/professional staff, and temporary staff services are subject to the approval of the SFA Board of Regents as stated in Policy 1.4, Items Requiring Board of Regents Approval. Human resources provides new appointments and appointment changes to the coordinator of board affairs/compliance before each board meeting.
